WOW REGISTRATION/INFORMATION PACKET

COPPERHEAD DISTRICT

GENERAL INFORMATION

The Copperhead **District World of Webelos (WOW)** event will be held at Camp Bovay
(3450 County Rd 317, Navasota, TX 77868)

WORLD OF WEBELOS

COPPERHEAD DISTRICT

<http://www.samhoustonbsa.org/bovay-scout-ranch>

on October 7-9, 2016. WOW is for both fourth and fifth grade Webelos. The program activities will be under adult leadership with assistance from Boy Scout Troops. The program gives the boys a sneak preview of what to expect in Boy Scouts, while allowing the fourth graders to stay focused on their Webelos activities. Webelos dens will earn achievements, and start developing Boy Scout skills, and learn teamwork. There will be an opening ceremony at the Saturday morning flag raising, closing campfire on Saturday night and Worship Service on Sunday morning. A boy can earn activities by just attending during the day, but will get the full program by camping out.

Scouts will have an opportunity to participate in 5 activities of their choice including a chance to shoot Archery and BB's. We are not requiring that an entire den/patrol go to the same activities for the day, but if they choose to do the same activities, we will do our best to keep them together based contingent upon class size. We do encourage the fifth grade Webelos to take the Boy Scout skill courses especially if they have already completed many of their activity badges. There will also be additional activities that the boys will be able to participate in including a den flag competition, den cheer competition, and campsite inspection. There will be a campfire program Saturday night and a non-denominational worship service on Sunday morning.

WOW GUIDELINES

1. This is a child & parent/guardian event. A parent/guardian **MUST** accompany each Webelos Scout per the requirements set forth in the "Guide to Safe Scouting". **NOTE: a boy cannot be in a tent with an adult who's not his parent/legal guardian.**
2. **NO SIBLINGS** are allowed, except older boy Scouts working as staff at camp. This includes all the events of the weekend, even the Closing Campfire. If you have an older Boy Scout that will be present, please tell the Camp Director (Larry Guiberteau) who will find things for them to do. The Boy Scout will receive a certificate for service hours for this activity and will receive credit at their Troop if approved by their Scoutmaster.
3. ALL Scouts and leaders must be currently registered with BSA.
4. REGISTRATION deadline is **October 3rd**. A registration form is included in this packet. Fees and a den roster must be sent with registration. Copies of a BSA Health Form (Parts A and B) must be included for each person attending (both youth and adult) on the day of arrival.
5. **SPECIAL NEEDS** - Be sure to notify the Camp Director **AT THE TIME OF REGISTRATION** of any special needs. Please note that there is no electricity available in the campsites.
6. **CAMPSITE ASSIGNMENTS** will be given upon check-in. All dens from one Pack will be assigned adjoining campsites and each Pack will be allowed to setup their campsite as they desire. Water spigots are available at various intervals throughout the camp; electricity is not available.
7. T -SHIRTS will be available on a **pre-ordered basis only**. Deadline is September 17th.
8. **GETTING TO CAMP**. In order to avoid traffic congestion and lines, we strongly recommend car-pooling. The fewer vehicles we have to get into camp, the quicker we can get you in and out.
9. **TRAFFIC IN CAMP** – **Speed limit is less than 5 miles per hour** and is **mandatory for the safety of our children**. There will be NO vehicles allowed in camp without permission of the Campmaster or Camp Director. Check-In and Check-Out times will be stated and vehicles will be allowed in at that time and policed by the Campmaster and his staff. ALL vehicles will be parked in the parking lot with the exception of our First Aid vehicle.
10. **CHECK-IN**. Camp opens at 5:00 PM on Friday, October 7, 2016. No one may check in before this time. Once you have received your campsite assignment, you may go directly to your campsite on arrival. Saturday morning arrivals should be checked-in and ready for flag ceremony at 8:00 am. PLEASE NOTE ON REGISTRATION FORM IF ARRIVING ON SATURDAY.
11. **CHECKOUT**. World of Webelos ends **AFTER** Sunday morning worship service. All campsites must be inspected and released to check out. Those wishing to leave Saturday night must make arrangement to have their campsite inspected **BEFORE** dark. All camp activities will cease on Sunday from 8:00 to 8:30 AM for the worship service. Everyone is encouraged to attend the service. All campsites must be vacated by 11:00 AM.
12. **UNIFORMS**. Field Uniform (previously known as Class A) should be worn for travel to and from WoW, for the Saturday morning flags, Saturday evening ceremony and the Sunday morning worship service (**please leave colors and neckerchiefs at home - they are too easily lost!**). Camp t-shirt, Pack t-shirt, or other Scout-related t-shirt is suggested for all other times.
13. **COOKING EQUIPMENT**. Each den must furnish their own food to be cooked at their campsite, as well as firewood and/or charcoal. Please note the information in #14 below – all cooking must be done off the ground and ashes disposed of properly. **DO NOT CUT TREES**. Gasoline or other liquid fuel is prohibited. Propane and/or butane stoves and lanterns may be used with adult supervision.
14. **SHAC** prohibits liquid fuels at all of their camps. Therefore, propane or charcoal use only is allowed. Open fire (this includes charcoal) permission will be determined by local conditions and, if allowed, must be **OFF THE GROUND**. Grease must go into a can or other safe container and be packed on with the litter.

21. **TRASH.** All trash must be taken to the dumpsters located on the exit road. Keep trash off the ground to avoid attracting critters to your campsite.
22. **CONDUCT. Scout Spirit at all times.** Leaders are responsible for the conduct and safety of their WEBELOS at all times. DEN / PATROL COMPETITIONS

The winners of all of these competitions will be announced at the closing campfire.

CAMPSITE INSPECTION NOTES:

1. SHAC prohibits liquid fuels at all of their camps. Therefore, propane or charcoal use only is allowed. Open fire (this includes charcoal) permission will be determined by local conditions and, if allowed, must be **OFF THE GROUND**. Grease must go into a can or other safe container and be packed out with the litter.
2. All litter must be carried out when you leave. All gear not in use must be properly stored.
3. Tent and tarp guy lines should be marked with flagging or not accessible to others walking by. Tents and tarps should not be near fire rings or combustibles. In general, does any condition in the campsite pose a hazard to Scouts or others?
4. Wood tools are not appropriate at this location or for Webelos. Clothes lines should not cross walking paths.
5. If a Pack chooses to "line" or "border" their campsite, it must not pose a tripping hazard. Borders must be flat on the ground or be properly staked and marked (same method as marking tent lines). If you are not sure about this requirement, get verification from Camp Director or Campmaster.
6. **NO ADULTS** should be in the campsite during designated inspection timeframes. If there is an adult in the campsite, the campsite will not be inspected and this will be noted on the form and the form turned in not inspected. An Adult program is available or adults are encouraged to talk to the Camp Director prior to the event and volunteer to help with the program.
7. Grade sheets will be returned in the Checkout Packet

DEN/PATROL YELL COMPETITION NOTES:

The den/patrol yell competition will occur during the 4:00pm Troop Visit Period at the staff area. We ask that the dens/patrols wanting to participate in the completion make their way up to the staff area sometime after their last activity and be prepared to perform their yell for the judges. The winners of this competition will be asked to perform their yell during the closing campfire.

The most important characteristic of a good yell is that the language used is appropriate. No inappropriate, discriminatory, defaming language will be accepted. If any is witnessed, then that den will be eliminated from consideration. Please screen the yells before the den/patrol comes to the staff area.

Suggestions for a good den/patrol yell:

- Try and identify the pack and den name
- Cadences are good
- New twists on old cheers
- Short songs – old favorites with new words

Judging Criteria will be as follows:

- Creativity and Uniqueness – Something the judges have not heard before
- Den Spirit – Does it say something about the den
- Performance – Is it obvious that it has been practiced

DEN/PATROL FLAG COMPETITION NOTES:

Judging for the den flag competition will occur during lunch. Each den will be asked to bring their flag to the staff area by no later than 11:30 AM so that it can be judged. The flag can be picked up back in the staff area at the end of the Troop Visit Time Period.

There are several key components to a highly rated Den Flag, but there is nothing more important than it should be **BOY MADE**.

There are several required elements that we would like to see on all of the den flags and they are: Pack Number, Den Name/Number, Den emblem/Totem, Council Name (SHAC is acceptable), District Name, Den Members Names

The key requirement is **BOY MADE**. After that the judges will be looking for the following:

- Unique materials
- Unique use of materials
- Legibility – both up close and from a distance
- Does it include all of the required elements
- Can it be easily displayed and carried by the den
